

MATERIAL SAFETY DATA SHEET

CLASSIFIED AS NOT HAZARDOUS ACCORDING TO CRITERIA OF WORKSAFE AUSTRALIA

COMPANY NAME

Date of issue 31st March 2003
Date Revised 12st August 2007
Company **Fleetwash Industrial Systems Pty Ltd**
Address Unit 4, 10 Tollis Place Seven Hills NSW 2147
Telephone number (02) 9620 9629

IDENTIFICATION SECTION

Product name Glass Cleaner
Other names N/A
Manufacture's code N/A
UN no N/A
Dangerous goods N/A
Poisons schedule N/A
Uses Window/cleaner and chrome cleaner. May be used on most hard surfaces as a spray and wipe to clean without streaking.

PHYSICAL PROPERTIES/DESCRIPTION

Appearance A water like liquid. Ammoniated
Colour Deep blue
Odour Ammoniated
pH Conc. 10.9
Specific gravity 0.98
Solubility Complete in water
Wetting ability Excellent
Rinsing Superior
Biodegradable Yes
Caustic Nil
Acids Nil
Safety Safe on all hard surfaces

INGREDIENTS

CAS No

PROPORTION % W/W

Mild safe cleaning solvents	-	1-15% W/W
Water conditioners	-	0- 2% W/W
Surfactants	-	0- 2% W/W
Ammonia	-	0- 2% W/W
Dye	-	qs

HEALTH EFFECTS:

<u>Swallowed</u>	The concentrate may cause irritation to the mouth, throat and mucous membranes. Dilutions less so.
<u>Eyes</u>	Concentrated solutions can cause irritations to the eyes.
<u>Skin</u>	Mild effect on skin.
<u>Inhalation</u>	Misted solutions may irritate mucous membranes and respiratory tract. Unlikely to have problems in this area.

FIRST AID:

<u>Swallowed</u>	Thoroughly rinse mouth with water. Give plenty of water to drink. Vomiting may be induced. Contact doctor or poisons information centre.
<u>Eyes</u>	Avoid contact with eyes. Immediately irrigate with copious amounts of water for at least 15 minutes. Keep eyelids open. Seek medical attention if necessary.
<u>Skin</u>	Wash with plenty of water. Remove contaminated clothing.
<u>Inhalation</u>	Rinse mouth with plenty of water.

First Aid Facilities Eye wash fountains and solutions should be readily available

Personal Protection Always advisable to wear safety glasses

Flammability Non Flammable

Environment A mild detergent product. Safe.

Other Precautions Use as received. Do not mix with other chemicals.

Storage & Transport Store in a cool place, out of direct sunlight in a well ventilated area. Store away from food stuffs. Keep containers securely sealed not dangerous goods.

Spills & Disposal Contain. Prevent contamination of drains and waterways with concentrate. Use absorbent (soil or sand, sawdust, inert material). Collect and seal and dispose of in waste. Flush to sewer as a greatly diluted solution.

Fire/Explosion Hazard Not a fire or explosion hazard.

The information contained herein based on data available Fleetwash Industrial Systems Pty Ltd. from both our own technical sources and from recognised published references and is believed to be both accurate and reliable. Since we cannot anticipate or control the many different conditions under which this information and our products may be used, each user should review these recommendations in the specific context of the intended application and confirm whether they are appropriate. Due care is taken to make sure that the use or disposal of this product and container are in compliance with appropriate Federal, State and Local Government regulations.
